

VIETNAM ARMY LISTS

The format focuses on battalion and smaller, since that is the focus of the rules. Comments on equipment at the squad level have also been omitted unless it affects the rating of a unit. All units are part of Divisional or Brigade level units with further in direct support available at that level.

Sqd = Squad (movement stands)

HQ = (Command movement stand) some will have more than one squad or vehicle allowed which are treated as separate movement elements.

Plt = Platoon or platoons

Co = Company or companies

FT = Flamethrower

M60 = Squad machine gun

Sec = Security

HQ/CMD = Headquarters/Command

RR = Recoilless Rifle (vs Inf/Vehicles/Bunkers)
